VIJEESH E V

Industrial Electrician

Winter 2017 batch

Vijeesh EV, a resident of Cherythuruthy, Shornur , Palakkad District Kerala joined SDI Kochi on 04 Feb 2017 for the Industrial Electrician Course post his Technical training at ITI Chalakkudy in 2017. Successfully completing 06 months training and certification at SDI Kochi, the trainee has gained immense confidence over working in all types of Industrial electrical equipment in the Industry. This confidence has gained him in clearing the interview for an abroad placement at **NBTC Kuwait**, a pioneer Indian collaborated industry focused on Engineering & Construction, Electrical & Instrumentation, MEP, Manufacturing, Inspection services ,Logistics & Heavy lifting services in Kuwait since 1977.

Vijeesh & his family are extremely content for his achievement, as he is the only recourse for the family to settle. His CTC offered was around 950 KD (approximately 2 Lacs Indian currency).He has joined on duty at Kuwait on Jun 25 ,2018 . With the current opportunity ,Vijeesh is very confident to climb up the ladder on trade and comes out in flying dimensions.

Coincidentally, the trainee was also adjudged as the "**Best Trainee**" whilst his Industrial Training Institute tenure. Skill Development Institute wishes him all success in his future endeavors.

ATHUL P MAHESH

Industrial Welder

Winter 2017 Batch

Athul P Mahesh, belonging to the Kumbalam Taluk, Ernakulum District completed his ITI Training from Govt ITI Edappally in 2013, has been searching for suitable jobs since then. He did casual labour job as welder under various contractors in various industries including Kochin Refinery Limited for few years. From there he heard about Skill Development Institute and joined to learn more about the trade and increase his skill & competence.

Having undergone rigorous training in SDI Kochi, he could assuredly clear the Test for placement to Nova Tech Poland, a renowned scaffolding manufacturing company from Poland. The company is also placing anyone from Asian countries for the first time. Among the selected 20 people, Athul also held his place.

The CTC offered by the company will be about 5400 USD (approx. Three lac sixty thousand Indian equivalent) plus accommodation, food Etc. Company sponsored leave in addition.

The hard work by the individual could pay its price in a mammoth way. A road way to European union is a dream for every technician. He joined his family in expressing gratitude towards the Institutions in the interim. He will sure to be on duty at Sulnowo Plant, Poland latest by end Jul 18.

REHIL M RAVI

Industrial Welder

Winter 2017 Batch

Rehil M Ravi, resident of Mannuthy , Trissur district Kerala ,after completion of his technical training at St Mary's Private ITI at home town in 2014 ,was willing to step up his responsibility by becoming an earning member of the family. Despite hoping in different companies, fixed employment was not in his hand. He struggled around for 04 years, he heard an advertisement through Kochi FM radio regarding Skill Development Institute and he decided to join after knowing about the features and functionalities of the Institute.

A hard worker, a keen learner, took only couple of months to turn into a skillful craftsman in profession. His communication skills, leadership qualities could make high going through the training sessions at Institute. Work rather than luck favored him in getting himself as a welding technician in **NBTC Kuwait** along with 06 more colleagues.

The CTC offered was around 1200 KD (Two Lakh Seventy Thousand equ) together with food & accommodation.

The SDI alumini has already joined his job at Kuwait & undergoing his orientation training. The exposure he had at the SDI K could give him wings to fly high.

ABHIRAM RG

Industrial Welder

Winter 2017 Batch

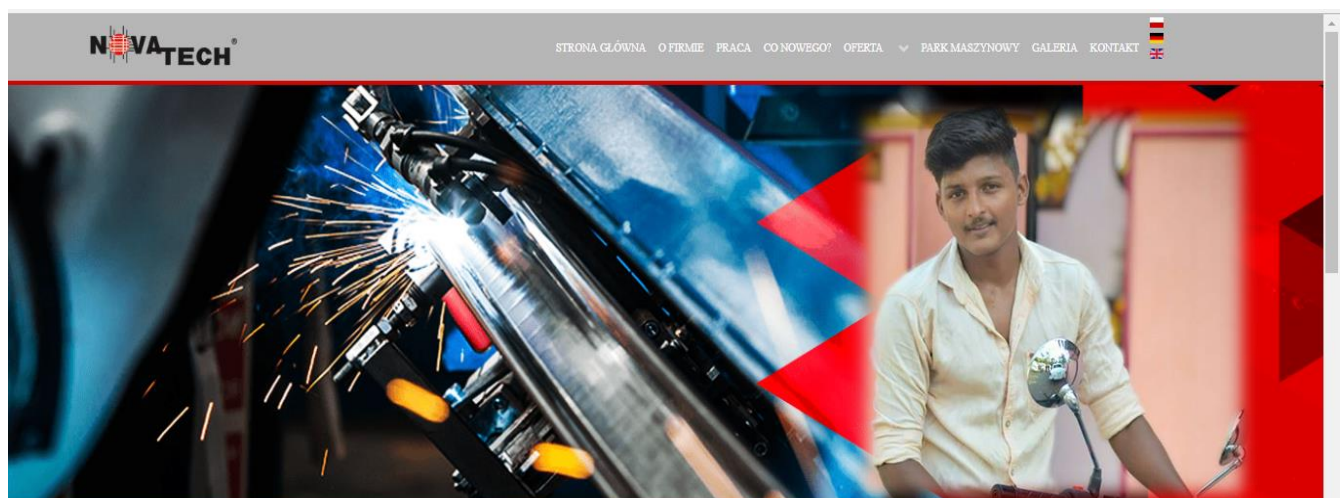

Abhiram RG, dweller of Attingal , Thiruvananthapuram district Kerala ,while towards completion of his technical training at Govt ITI Attingal in 2017 , was fortunate to attend a session conducted by staff of Skill Development Institute Kochi at his ITI campus. He got impressed by the course being offered at SDI Kochi. He enquired about the same through telephone with SDI officials as well as his seniors. Having got the best feedback, he decided to join the course.

His family background was very poor and his father was doing casual labour. A job was most urgent to Abhiram to support his family. Having understood the scope of the course and certification, he decided to continue with course than just jumping into any job at hand. Finally, through hard toil, the fresher on trade sharpened his skill through guidance and hands on training at SDI Labs. In between he has got opportunity to represent SDI in Kerala Skill championship also. The confidence built through the months fetched his mark during the placement drive by Nova Tech Poland at SDI K.

The CTC offered by the company will be about 5400USD (approx. Three lac sixty thousand Indian equivalent) plus accommodation, food Etc. Company sponsored leave in addition. He will be flying to Nova Tech Sulnowo Plant, Poland latest by end Jul 18.

As told on quotes ***"In every success story, you will find someone who made courageous decisions"***, and in this story the version is repeated by Mr Abhiram RG.

Team SDI K wishes him success through his career ahead.

MIDHUN M

Industrial Electrician

Summer 2017 Batch

Midhun M, person of Peralassery , Kannur District origin , completed his Technical training at SN Private ITI at Kannur in 2014. Struggling through his career in two years , working between shifts , was keen to stroll through the advertisements in newspapers for job offers. His eyes struck one day on the advertisement of Skill Development Institute Kochi and began to enquire if it can of value addition.

Being a learner by skill and an academician, Midhun could understand that the organization is undertaken by all PSU Oil companies and that too BPCL is governing the center, he was by all way decided to try his luck.

Overall understanding of complex and diverse electrical equipment by clarified theory & practical sessions at SDI K has helped him to mold self to fit to the Skilled Technician attire. So he justly got through the selection process by Konzart Automation & Robotics company Pune held at SDI K. Among the two selected from the full batch for Konzart, he was all set to blaze in his profession. The CTC offered was around 1,85000 INR.

The success account follows as he is still continuing with higher remunerations and greater responsibilities handled. Team SDI K wishes him success through his career ahead.

SUJITH RS

Industrial Electrician

Summer 2017 Batch

Sujith RS ,resident of Tirukkad , Malappuram Dist , Kerala completed his Technical training at Hamad Private ITI in 2014.Immediately he got opening to enroll in Apprenticeship training at Kerala Electrical Ltd ,Ericode.After o6 months , he started searching Govt jobs but in vain. To support his family he started assistance for house wiring under contractors. From a relative working in TELK Angamaly , Sujith came to know about the course and applied for the same in hope of placement in good MNCs.

Dedicated efforts were put forth by the individual in shaping his career. The experience gained during the house wiring helped him to understand the advanced systems easily. He successfully completed the course in high merits therein. **Saint Gobain** , a multinational Giant during their placement drive at SDI K, selected Sujith RS along with 18 of his batch mates to be placed in various locations across the country. The price tag extended was around One lakh eight thousand CTC.

Having successfully completed year on probation, Sujith shares his thankfulness to SDI Kin helping him achieve his dreams one after another. We Team SDI K wishes his career voyage be successful and vaseful to Nation building.
