KOCHI**

National Skill Development initiative launched by Hon'ble Prime Minister of India Shri.Narendra Modi aims to empower the youth

of the country with improved skill and knowledge to enhance their employability for the Oil & Gas Industry as well as for other Industries requiring skills of similar nature. To meet this requirement PSUs under Ministry of Petroleum & Natural Gas have set up Skill Development Institutes in various States to impart vocational training to the students.

Skill Development Society (SDS), Kochi promoted by Public Sector Oil Companies namely Bharat Petroleum Corporation Ltd (BPCL), Oil & Natural Gas Corporation (ONGC), Gas Authority of India Ltd (GAIL), Indian Oil Corporation Ltd (IOCL), Hindustan Petroleum Corporation Ltd (HPCL), Oil India Ltd (OIL), Engineers India Ltd (EIL) and Balmer Lawrie & Co. Ltd has set up Skill Development Institute (SDI) at Angamaly, Kochi.

Highlights...

- » Registered as Skill Development Society at Kochi on 31st May 2016.
- » Govt. of Kerala has allotted 8 acres of land at Govt. ITI campus, Ettumanoor for permanent set up of SDS, Kochi.
- » Meanwhile , SDS has taken 36452 sq.ft of area at Tower II, 4th floor, INKEL Busikness Park, Angamaly on long lease.
- » Institute started functioning from 12th December 2016
- » M/s. Nettur Technical Training Foundation (NTTF) is the training partner.
- » Certification is from National Skill Development Corporation (NSDC).
- » The courses are aligned to the National Skills Qualification Framework (NSQF) of the Central Government with affiliation to respective sector skill councils.
- » SDI Kochi has state of the art facilities like smart class rooms, well equipped workshop, laboratory, modern/latest training equipments, computer lab with WiFi facility, well equipped library, conference room, recreation areas, dormitories and canteen hall.

Academic Courses:

1. Industrial Welder (Hydrocarbon Sector Skill Council)
2. Industrial Electrician (Hydrocarbon Sector Skill Council)

Hon'ble Minister with students

Class in progress

Welding simulator

Welding lab

Electrical lab

Fitting lab

Computer lab

Library & Reading Room

Fitting/ welding workshop

Instrumentation lab

3. Industrial Fitter (Hydro Carbon Sector Skill Council)

4. Industrial Process Instrumentation (Capital Goods Skill Council)

Eligibility Criteria

- ◆ ITI pass
- ◆ Age less than 25 years

Duration

- ◆ Six months

Infrastructure & Facilities available

The institute is situated at INKEL Business Park, Angamaly, the satellite town of Kochi.

Classrooms : The institute has smart class rooms which aims at developing the students learning ability, increases the performance, and encourage healthy lifestyles. Use of smart classes and modern technology eases the learning processes.

Welding workshop : Equipped with high quality welding equipments like Arc Welding Machine, TIG/MIG/MAG Welding machine, Gas Welding, Gas Cutting, Plasma Cutting Machine, Power Hacksaw etc. Welding Simulator (Soldmatic Work Station) provides innovative augmental real time training solution.

Electrical workshop is equipped with all required electrical tools, gadgets and fittings for training on electrical jobs including house wiring and industrial wiring/equipments. FESTO Electrical Work Station equipped with all simulations provides advanced learning

Fitter fabrication workshop is very well equipped with all types of Machineries required in an industrial set up along with Lathe and drilling machines.

Instrumentation Workshop is equipped with various types of gadgets to enable level/flow/presure/temperature measurements and its calibration. It is also equipped with DCS/pneumatics/hydraulics work bench along with sensor lab, Control System Lab etc.

Computer lab : The lab has adequate number of computers with WiFi and Internet connections. Computer lab is equipped with Autocadsoftwares to enhance the design skills of trainees.

Course content:

Classroom training	Road safety
On the job training	Communications skills
Rope-in- programme	Health & Environment
Rope-out-programme	Personal effectiveness
Industrial visits	Yoga
Soft skill training	

Library : The library has good collection of technical books related to trades. Newspapers and periodicals are also availbale in the Library.

Faculty: Nettur Technical Training Foundation (NTTF) is the Training Partner. The teachers have rich experience in imparting training to the students.

Uniform: Each student is provided uniforms, safety shoes, boiler suits, yoga suit. Also training kit is given at the beginning of the course.

Hostel: There are four dormitories with well furnished bed-cum table and can accommodate 180 students at a time.

Canteen: Students are provided with nutritious food which are hygienically prepared.

Recreation: As the courses are fully residential, the students are provided with recreational facilities like table tennis, carom, chess, football, volley ball, etc.
